ABOUT US

Founded in **1942** in Abruzzo, Italy, Marcafè delivers the authentic Italian coffee experience through four generations of expertise.

We roast premium blends designed for global partners seeking quality, and true Italian taste.

Marcafè embodies the Italian tradition that combines passion, craftsmanship, and innovation.

In Italy, coffee is a cherished ritual made of moments, people, and tradition.

VALUES

“Since 1942, what truly keeps us alive are the people who believe in what we do.”

Partner Support

More than a supplier, a committed long-term partner.

We provide ongoing commercial support, export documentation, and **digital marketing** material to help our distributors grow their market with confidence.

Excellence

Air roasting allows us to preserve the bean's structure, essential oils, and full aroma.

Each origin is roasted separately to maintain its unique profile and ensure consistent quality in every cup.

Reliability

We can produce a full 20-foot container (11 pallets of 1 kg coffee beans) in just 7 working days, ensuring **fast, consistent and reliable supply** for our international partners.

Innovation

We invest in **state-of-the-art technology**, including a next-generation roasting machine that ensures precision, consistency, and optimal flavor development.

PURCHASING PROCESS

First Contact & Product Guidance

Whether the first contact comes from you or from us, we start by understanding your needs, if helpful, an optional video call can be arranged. We provide catalog, price list and samples (upon request), and guide you step-by-step in selecting the blends best suited for your business.

1

Proforma & Order Confirmation

We define the product selection and quantities together, then issue the Proforma Invoice. Once the advance payment is received, we schedule production and share clear timelines with you.

2

Preparation & EXW Pickup

We prepare the goods and keep you updated until they are ready for pickup. We operate exclusively under EXW. you arrange pickup with your forwarder, and we provide all logistical details required.
